

Revisiting Eternal Now

A Psychospiritual Psychedelic Integration Circle

~ Assimilating past psychedelic experiences into a healthy religiospiritual worldview ~

WHEN

Thursdays, 7-8:30 PM
Gathering on the 2nd Thursday of the month
Beginning October 12, 2017

WHERE

47 Main Street
Plymouth, MA
Sanctuary Studios, 2nd floor
(not handicap accessible)

PURPOSE

To deepen respect for the power of psychedelic states of consciousness
To apply transpersonal psychology theoretical frames of reference
To nonjudgmentally explore the psychospiritual viability of past psychedelic experiences
To assimilate relevant religiospiritual content into an emergent worldview
To translate revelatory insight into action

~ **Monthly preregistration is required** ~
~ **Preregistration begins the 1st of each month** ~
~ **Group size is limited to eight (8)** ~
~ **Wait List order renewed each month** ~

This gathering is a *pro bono* service. Donations will be accepted with all proceeds going to the *Multidisciplinary Association for Psychedelic Studies*, a 501(c)(3) organization advancing psychedelic research, public education and harm reduction, and to *Sanctuary Studios* in Plymouth, MA, creating a stipend in support of the *Refuge and Recovery* program—a peer-led mindfulness community focusing on recovery from addiction.

This is not a psychedelic-assisted psychotherapy group. Do not use this group to seek such services and/or psychedelic substances. Please visit www.MAPS.org to learn about FDA-approved research in this field of study.
